# Welcome to EACPT Virtual Focus Meeting 2021

Dear Sponsors and Exhibitors,

As the chair of EACPT I would like to cordially invite you to take part of the Virtual Focus Meeting of the European Association for Clinical Pharmacology and Therapeutics 28-29 June 2021.

The first congress of EACPT was held in Paris in 1995. This first congress has been followed by a very successful series of meetings all over Europe, bringing together scientists from all over the world in fruitful and enjoyable encounters. For the last congress in Stockholm in 2019, we had more than 500 delegates from 50 different countries. With the upcoming Focus meeting, we aim to surpass these numbers. We will be addressing all current issues in modern therapeutics, from new diseases to personalized treatment approaches. We will be directing a lot of attention to COVID-19 pharmacological, issues such as the rapid trial designs employed during the pandemic and new investigational therapies and vaccines. This will be reflected in the program of our meeting, which will consist of an exciting mixture of key notes, workshops, debates and scientific presentations.

Clinical pharmacologists embrace large domains and use many tools, from molecular perspectives of drug-target interactions, all the way through to individual patient care, patient group needs, and epidemiological and global considerations for the safe and effective use of medicines. In this meeting, we will share knowledge and discuss how we can use these tools to solve the many challenges of modern healthcare, e.g. population ageing worldwide, increasing prevalence of chronic diseases, new possibilities to treat the critically ill, healthcare sustainability, antimicrobial resistance and *new viral threats to mankind*.

We have postponed the physical Congress of EACPT in Athens to June 2022. Our virtual platform for 2021 is a state-of-the art system, that allows interaction between delegates and is very user-friendly. My sincere hope is that you will join us in this venture and contribute to making this an exciting and fruitful meeting, for the sake of our patients, today and tomorrow!

Sincerely yours,

Professor Jamie Coleman  
Chair of EACPT

## Committees

### Executive Committee

Jamie Coleman, United Kingdom  
Ylva Böttiger, Sweden  
Caroline Samer, Switzerland  
Janne Backman, Finland  
Isabella Ekheden, Sweden  
Pau Alcubilla, Spain  
Vangelis Manolopoulos, Greece

Pierre Marquet, France  
Arantxa Sancho López, Spain  
Achim Schmidtke, Germany  
Markus Zeitlinger, Austria  
Gerard Rongen, The Netherlands  
Michiel van Agtmael, The Netherlands

### Congress Secretariat

## About EACPT

The European Association for Clinical Pharmacology and Therapeutics (EACPT) is a learned society in the field of clinical pharmacology. It is the leading society in Europe serving the European and global clinical pharmacology and therapeutics community.

The EACPT includes all national organisations for clinical pharmacology in Europe and also have nearly 600 individual associate members from all around the world. EACPT provides educational and scientific support for the more than 4000 individual professionals interested in clinical pharmacology and therapeutics throughout the European region, with its congresses attended by a global audience.

### Why attend EACPT Virtual Focus Meeting 2021

The European Association for Clinical Pharmacology and Therapeutics (EACPT) includes all national organisations for clinical pharmacology in Europe. This broad range of knowledge and outreach enables each EACPT meeting to provide an unparalleled educational forum where you will learn about the newest developments, innovative techniques and advanced practices in topics such as drug discovery, drug development, pharmacology and pharmacotherapy.

### Attend EACPT 2021 because of:

- The attendance of diverse groups of international delegates, including health professionals, clinical and life scientists, policy makers, regulators and professionals from the biotechnology and pharmaceutical communities.
- The focus on present and future healthcare challenges and clinical pharmacology tools to tackle these challenges.
- Sessions on hot topics such as translational medicine and pharmacogenetics, advances in personalized diagnostics to improve the safety and effectiveness of medicines, therapeutics of cardiovascular, cancer and inflammatory disease, clinical trial design and regulation, drug safety and toxicology in all patient groups, clinical design and governance, health policy and safe prescribing.
- New research on biological approaches to disease and other current issues.
- The broad spectrum of specialists to learn from, encompassing basic to clinical pharmacology and pharmacotherapy from drug discovery to regulatory affairs.

## Sponsorship Levels and Benefits – virtual

There will be no virtual exhibition, but you can sponsor symposia, banner ads and programmes. Please see the options below.

<b>Gold Sponsorship 2021 - Price € 7.500*</b>	<b>Silver Sponsorship 2021 - Price € 3.000*</b>	<b>Bronze Sponsorship 2021 - Price € 2.000*</b>
<ul style="list-style-type: none"> <li>• A 45-minute Industrial symposium**</li> <li>• Acknowledgement of sponsorship level on the Congress website</li> <li>• 3 complimentary registrations</li> <li>• Company logo on the website and on the Rotating banner on front page of the EACPT Congress Platform</li> </ul>	<ul style="list-style-type: none"> <li>• A 10-minute virtual Industrial symposium daily**</li> <li>• Acknowledgement of sponsorship level on the Congress website</li> <li>• 2 complimentary registrations</li> <li>• Company logo on the website and on the EACPT Congress Platform.</li> </ul>	<ul style="list-style-type: none"> <li>• A 5-minute virtual Industrial symposium daily**</li> <li>• Acknowledgement of sponsorship level on the Congress website</li> <li>• 2 complimentary registrations</li> <li>• Company logo on the website and on the EACPT Congress Platform</li> </ul>

\*\*Industrial symposium slots will be available (number to be defined) during the EACPT 2021 focus meeting, all of which are subject to scientific committee approval. The fee includes virtual lecture hall, and technical assistance. It also includes broadcast on the EACPT Congress Platform. All other expenses (e.g. additional equipment, honoraria) are the responsibility of the sponsor.

\*Prices excl. VAT

<p><b>Other opportunities:</b> We are open to discuss other opportunities for your organisation to be exposed at the congress, e.g. stipends to young researchers so that they can participate. Please contact us and let us see what we can do for you.</p>	<p><b>Price upon request</b></p>
--	----------------------------------

## EACPT is open for business – your way!

In case any of the partnership options described above should not completely suit your company's needs, please contact Julie Drehn.

We are open for discussing tailor-made packages with you to help you make the most of your presence at EACPT 2021 and 2022.
